Dear Parents/Guardians,

We have finished Unit 7 in Reading and students will take their assessment on Monday. We will begin Unit 8 on Comparing and Contrasting characters and texts on Tuesday. We'll be studying Bossy R in phonics (ur, er, ir words). We're continuing to work on Addition and Subtraction strategies for two-digit numbers. We are using resources from EnVision this week so look for those fun math mats to come home for extra practice.

We are studying American symbols in Social Studies this week. Next week we'll be looking at maps and studying geography. We're still working on Opinion writing as well.

Thank you for all that you do!
