January 19th- PTA Skating Party

Reminders

- **Please bring a jacket!** We will go out to recess each day as long as it is above 40 degrees.

Hello!

This week we will begin Unit 6 in Reading where we will focus on strategies to summarize texts. We will also be working on long o digraphs in phonics.

What we are studying this week in 1st Grade

Math:

- Adding and Subtracting Two Digit Numbers
- Reading Unit 6: Summarizing
- Text Features
- Opinion Writing
- Phonics: Long O Digraphs
- Science: Earth Science
- Social Studies: Martin Luther King, Jr.

In Math we will start to work on adding and subtracting two digit numbers.

Thank you so much for sending in such creative collections to kick off our Opinion Writing unit. The students are really enjoying sharing their opinions with each other. It's been amazing to see how their writing has grown since the beginning of the year.

This week we will also do our Winter Map Testing. We will send you those results the following week.

As the weather continues to fluctuate please remember to send your child to school with a jacket. We will go outside for recess as long as the weather is 40 degrees and above. On colder days students must have a jacket to go outside.

Make sure to check out the sidebar for upcoming events and reminders for our classroom. If you have any questions, feel free to contact us.

Sincerely,

Mrs. Jett, Mrs. McHolland, Mrs. Fluharty
