Hello,

This is the last full week until Thanksgiving Break. We are on week two of Unit 4 in Reading where we will continue to learn about Story Elements and in Math we will continue to work on missing addend problems.

In writing we will continue to work on Informational Writing. Students have been working on animal research projects and are designing some pretty cool multimedia presentations. We will also be studying about American Indian tribes this week as part of Social Studies and informational writing.

We have added a new tab on our website. Soon we will be displaying student work samples and pictures. You can see this under the "Student Work Samples" tab.
